

OneBus
OEM AFTERMARKET SEATING

OEM Aftermarket Replacement Covers from HSM Transportation

OneBus™ is a leading aftermarket school bus seating supplier to manufacturers and dealers. Our HSM Transportation products meet the maintenance needs of school bus fleets for seat covers, foam, complete seats, and other components needed to extend the life of any school bus.

Using only OEM-specified materials, HSM ONEBUS offers replacement seat covers in a variety of colors, vinyl, and options for all make and model seating requirements. Don't deal with ill-fitting aftermarket substitutes or long lead times. Request out HSM covers to get the same, consistent level of quality, fit, and finish as when the seats were new.
